SINGING IN THE PINES

Singing in the Pines was started in 1983 as an outreach for the Mason County Gospel Singers Association. We are now an independent nonprofit organization operated by volunteers.

This is an outdoor sing, held the third Friday and Saturday of June each year. The roofed amphitheater on Union Campground will seat approximately 500, and you may bring lawn chairs for use on grassy areas. The Pines will go on rain or shine. Several hundred attend each year. There is ample parking available. Primitive camp sites are available for RVs, campers and tents.

A new restroom facility was completed in 2004, including shower stalls with HOT water. A dedicated volunteer crew keeps the building clean, and there is no charge for it's use.

Singing in the Pines is an open sing. We usually have about 60 groups, representing all types of gospel music. The groups will participate with the understanding that the only monetary compensation is from tape/CD/DVD sales.

Singing starts:

Friday at 6:00pm with signups at 5:00pm

Saturday at 1:00pm with signups at Noon

continues both days until 3:00am or longer

Singing times are not assigned until one hour before starting time each day.

You can share in a time of worship, fun, fellowship and enjoying the good gospel music as we sing, pray, and rejoice together. There is an atmosphere here that is rare in an outdoor gospel sing. You will find that following the leading of the Spirit is a priority at the Pines.

We depend on free-will-offerings and the income from the concession stand to meet expenses.

Our concession stand features the best Hotdogs and Sloppy Joes in WV. We also have Beans & Cornbread, Taco in a Bag, hot ham sandwiches, Nachos, Pepsi products, coffee, hot chocolate, popcorn, donuts and homemade pies and other goodies. A Spaghetti Dinner with slaw & rolls is a special event on Saturday at 4:00 pm.

At the Pines, we strive to feed both your body and your soul.

Professional sound is provided by Harvest Gospel Studios of Huntington, WV.
